

# WE NEED YOUR INPUT AGAIN!

Dear Neighbors,

Thank you for your interest in the Brandon-Evansville Public Schools!

We want to make sure you are aware of an **online survey** all district residents are invited to complete. This survey provides another opportunity for district residents to share their thoughts about local school building needs and potential solutions.

Our goal is to gather as much information as possible from the district residents' perspective to develop a plan that will best meet the needs of our students, staff and communities.

This survey can be found on the dedicated strategic planning website: [www.bechargersunited.com](http://www.bechargersunited.com) or by clicking on the following link: <https://www.surveymonkey.com/r/8TVL2SG>

If you do not have access to a computer or mobile device and would like to participate in the survey I invite you to call the district and we can assist you with the use of a computer or filling out a hard copy of the survey. Please contact Mary Langlie or myself for assistance at 320-834-4084.

This survey is compatible for mobile devices and desktop computers. We ask that only one survey be filled out per legal voting resident of the Brandon-Evansville School District #2908.

This survey closes on Thursday, March 21<sup>st</sup> at midnight.

If you have any questions concerning the survey or need assistance accessing the survey you can contact me by email: [dpeschel@b-e.k12.mn.us](mailto:dpeschel@b-e.k12.mn.us) or 320-834-4084.

Sincerely,

Don Peschel, Superintendent
