Prairie Rivers Baseball Association

13u Travelling Baseball

The Prairie Rivers Baseball Association is putting together a 13u traveling baseball team and is looking for players to participate in competitive baseball this spring/summer. Players must have a birthday on, or after, May 1, 2003 to be eligible for placement on the team. Players younger than 13 may tryout for the 13U team. **NOTE: A player younger than 13 selected for the 13U team, who is age eligible to play PRBA baseball, shall play PRBA baseball. This requirement is in place to ensure we fill our little league program with high caliber players.**

Any youth residing in the Prairie Rivers Baseball Association geographic area, who meets the age requirement, may try out for the team. Tryouts will take place on Saturday morning, April 22, 2017, from 2:00 p.m. until 3:00 p.m. at the Evansville baseball complex in Evansville. **A player who has tried out for PRBA MUST tryout again for the 13U team.** Any player who is selected for the 13U team and plays in the regular PRBA league shall pay the \$100.00 13U fee only.

During tryouts, team coaches and other assessors will judge the players in the skill areas of infield, outfield, pitching and batting. Based on the coach/assessor ratings during the tryout process the 12-16 player roster will be determined.

Traveling Baseball is for players and families that would like to travel to other communities to play baseball at another level. Coaches will determine where players will be positioned defensively and placed in the lineups to provide the greatest strength to the team. Please Note: This team is directed to those athletes and families that are dedicated to playing baseball during the summer, above all other elective activities. Participating in a traveling team requires a significant commitment to baseball, and playing time may NOT be equal.

The following information will explain more what we're about:

- This traveling team experience will offer players the opportunity to enhance their baseball skills in a fun, competitive atmosphere while they continue to learn fair play and good sportsmanship.
- The 13u team will participate in competitive tournaments and single games around the area and state with a goal of qualifying for the 13u AA State Baseball tournament.
- The experience will begin with a tryout on April 22. The practice schedule will begin in May with games and tournaments played from May through July. The team will strive for a berth in the state tournament which will be played in late July.
- Full schedules for practices and games/tournaments will be made available to players following the determination of the roster.
- Other game rules will be described during practices but will, in general, follow high school baseball rules.
- A \$100 registration fee will cover cost of equipment/uniforms and entrance fees to tournaments. The fee will be returned to any player who does not make the 12-16-player roster.

We sincerely hope to see you all at the baseball field this spring and summer. Please give us a call with any questions.

It is our hope that we hold the tryout outside, so please dress appropriately as the weather can be unpredictable. Bring a good pair of tennis shoes in case we hold the tryout indoors. Spikes are NOT allowed in the school.
